## Introduction

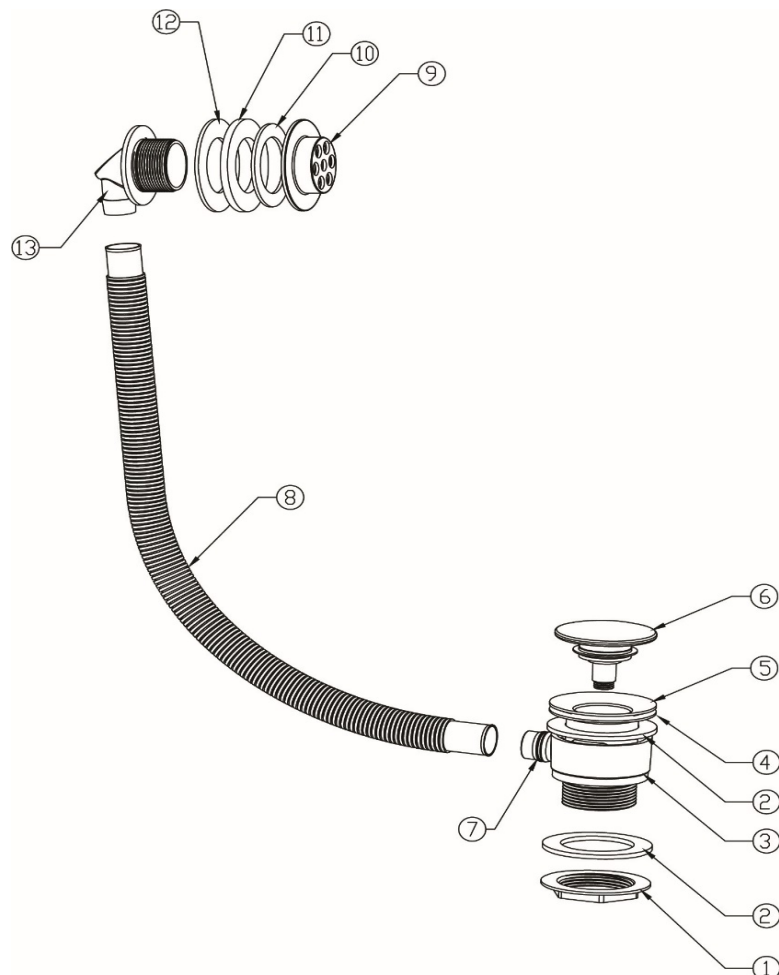

Thank you for choosing Bristan, the UK's leading taps and showers expert. We have designed this product with your enjoyment in mind. To ensure that it works to its full potential, it needs to be fitted correctly. These fitting instructions have been created to give you all of the information you need and, if you need any further help, please do not hesitate to give us a call on 0330 026 6273.

## Installation

1. Identify all components are present prior to installation
2. Fit the waste body and one of the rubber washers (2) into the bath.
3. Place a second rubber washer (2) under the bath above the banjo (3) and secure using the backnut (1). Make sure the rubber washer (2) is between the banjo (3) and the backnut (1).
4. Fit the overflow cap (9) and rubber washer (10) to the front of the bath connecting to the foam washer (11), the plastic washer (12) and the overflow elbow (13) behind the bath.
5. Connect the overflow elbow (13) to the banjo fitting (3) using the plastic tube (8).
6. In order to fill the bath, the cap (6) in the middle of the waste needs to be pressed down. To release water, press cap (6) again.
7. Check all joints and connections for leaks.
