

BRISTAN

Traditional Slotted Belfast Sink Waste

Installation Instructions & User Guide

IMPORTANT: Please keep these instructions for future reference and request of replacement parts

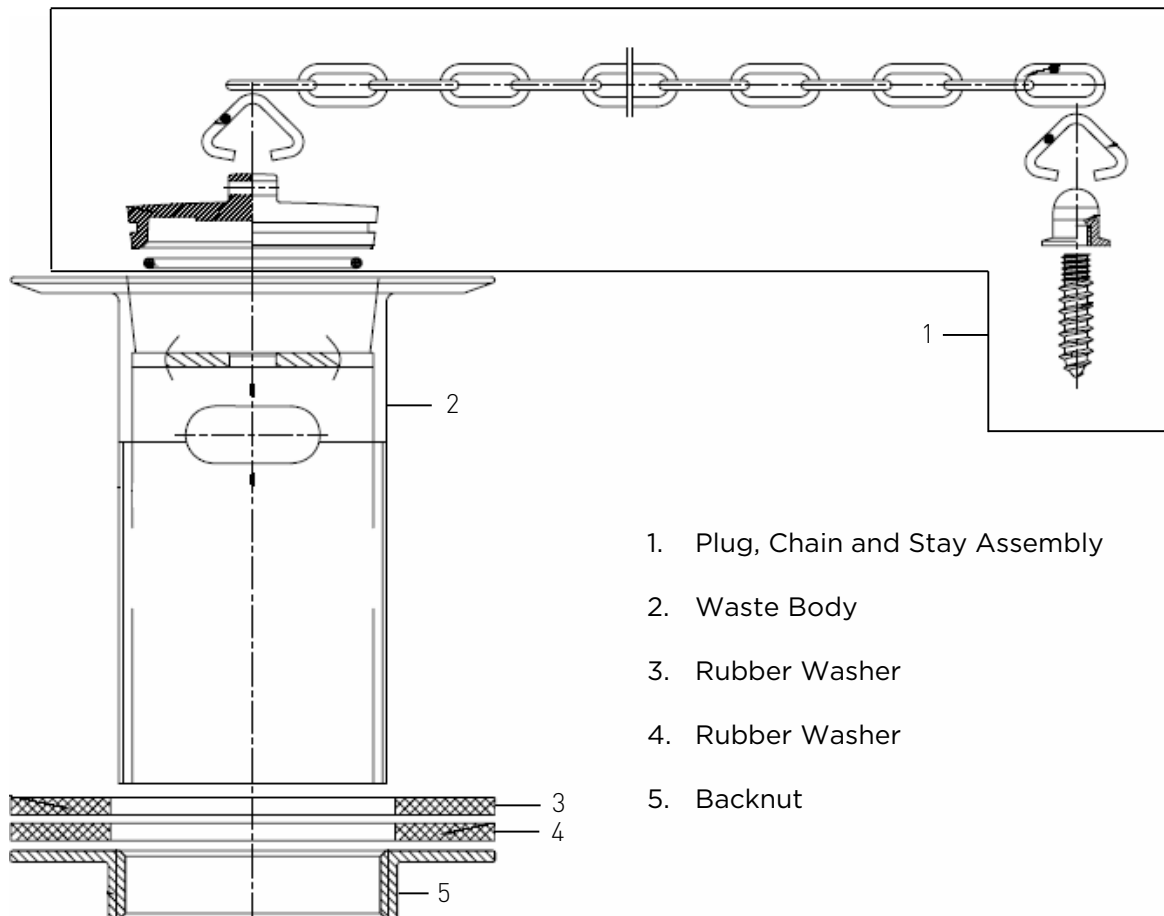

BRISTAN

Introduction

Thank you for choosing Bristan, the UK's leading taps and showers expert. We have designed this product with your enjoyment in mind. To ensure that it works to its full potential, it needs to be fitted correctly. These fitting instructions have been created to give you all of the information you need and, if you need any further help, please do not hesitate to give us a call on 0330 026 6273.

Installation

1. Identify all components are present prior to installation.
2. Fit the waste body (2) and rubber washer (3) to the sink.
3. Fit the rubber washer (4) to the underneath of the sink as shown in the diagram, secure by tightening the backnut (5).
- **Use a pure silicon sealant where necessary.**
4. Fit the stay (1) to the sink.
5. Check all joints and connections for leaks.
