MERLYN™
## Wetroom Collection

CEILING POST INSTALLATION GUIDE
If you install the product in a way that differs from this manual this will void all guarantees. Before installation check that the product meets all your requirements and is not damaged. By proceeding with installation, you accept the condition of the product. The wall plugs supplied with the installation kit are for use in solid walls. Hollow or 'stud partition' walls will require alternative fixings. Please consult your local hardware supplier for the correct type.

Sealing

Before sealing make sure all surfaces are clean, dry and free from any residue such as grout. Use quality silicone sealant and applicator gun to finish the wetroom panels.

Seal top to bottom on the OUTSIDE between the wall and the wall profile.
Seal along the bottom on the OUTSIDE between the glass/rail/profile and the tray or floor.

Seal all round the base of the ceiling post.

Seal approx 50mm up between the glass and the wall profile.

DO NOT USE FOR 24 HOURS!

Inside

24 h.
